A day at school

My name is Leo. I go to a primary school in Lublin. I'm in class four. School starts at eight o'clock. I go to school by bike because it's not far.

My favourite subject is PE because I love sport. I don't like maths very much, but my maths teacher, Mr Kowal, is very funny. At ten o'clock we have a long break. I eat a sandwich and an apple and I play football with my friends.

Lessons finish at two o'clock. After school I do my homework and then I play the guitar. On Tuesdays I go to the swimming pool.
